

Arthouse

Saturday & Sunday
April 7-8 and 14-15th, 3-8pm

73 Spring Park Avenue, Jamaica Plain

“Home is where your art is...”

The Boston Home Team, Curator Brendan Killian, 14 artists, and 2 developers collaborate to bring you Arthouse: a unique exhibit of architecture and art in three unique luxury homes. In addition, Reside, a Cambridge based furnishings gallery, will stage the units with Mid-Century Modern furniture. Whether you're looking for art or the walls to hang it on, you're bound to find something you love.

For more information, visit www.arthouseboston.com
